Mercy Health Bethlehem Home for the Aged

A Reason to Choose Mercy

The story of Mercy Health began in 1831 with the establishment of the Sisters of Mercy in Dublin by Catherine McAuley, who was dedicated to serving those in need.

The Sisters of Mercy went on to establish community services, schools, and hospitals worldwide. In 1846, led by Mother Ursula Frayne, the Sisters of Mercy arrived in Australia, where their commitment to care and hospitality is a lasting legacy—one that continues to shape our work today.

As a not-for-profit Catholic aged care provider, Mercy Health embeds the values of compassion, respect, and community. Our mission is to prioritise your well-being and dignity, ensuring that every resident feels valued, supported, and cared for.

We understand that transitioning into aged care can be a significant change, and our holistic approach nurtures not only the body but also the mind and spirit.

At each Mercy Health Residential Aged Care home we have qualified Pastoral Carers on the team. Our dedicated team offers emotional and spiritual support to foster a deep sense of belonging and connection. By choosing Mercy Health, you receive more than just high-quality, personalised care—you become part of a welcoming and supportive community that honours your faith, values, and individuality. We warmly welcome clients from all backgrounds, whether you follow a specific denomination or are non-denominational.

At Mercy Health, we take the time to understand your preferences, care needs, and overall well-being. We work closely with you and your family to create a personalised experience that reflects who you are and what matters most to you.

Choosing the right room in a residential aged care home is about finding a space that feels both comfortable and familiar. As you tour our home, imagine how you can personalise your room with treasured furniture, decorations, and keepsakes to create a warm and inviting environment. Consider the room's location and its proximity to the services and amenities that matter most to you, such as communal spaces, a hairdressing salon, or a wellness centre. More than just a place to stay, your room should be a space where you feel relaxed, secure, and truly at home.

Our lovely rooms all boast a contemporary and stylish design. Enjoy the high-quality furniture and fittings, including wall-mounted flat screen TVs, air conditioning and heating, built-in wardrobes and space for your personal treasures. Add a touch of luxury by choosing a room with plenty of natural light or beautiful views.

For those living with dementia or memory loss, we have a dedicated Memory Support Unit located on the ground floor.
