Our home

At Mercy Place Albury, we are proud to provide quality care and accommodation where residents can feel safe, comfortable and valued. Our home is designed to suit all resident preferences with rooms available in large, lively wings or more private households.

In our original building you can choose from a variety of room layouts, all of which are stylishly decorated with modern amenities for your enjoyment. Enjoy our spacious dining rooms, activity rooms, a library and cosy sitting areas where you can relax or entertain family and friends.

In 2018, we added four new households, each of which is home to a small number of residents. Each household is designed to look and feel just like home, with its own familiar kitchen, dining and living room. A number of these new rooms enjoy direct access to a peaceful courtyard.

All common areas display contemporary artwork and have well-appointed furniture and premium décor. Enjoy the sunshine in an internal courtyard, join in an activity or group exercise, or attend a service or event at our beautiful chapel.

Choosing a room

Our lovely rooms all boast a contemporary and stylish design. Enjoy the high-quality furniture and fittings including wall-mounted flat screen TVs, reverse-cycle air conditioning, built-in wardrobes and space for your personal treasures. Add a touch of luxury by choosing a room with plenty of natural light or beautiful views.

Find your perfect fit by booking a personal tour.
