

Welcome to Mercy Place Boronia

Nestled in the foothills of the Dandenong Ranges, Mercy Place Boronia's female community offers you a warm, welcoming home which fosters both independence and companionship.

The comforts of home

Our home features bright, open rooms in which your personal treasures and furniture may be accommodated, where safe to do so.

Our redeveloped building, completed in 2009, offers single rooms with ensuites, while our original home includes shared bathroom/toilet facilities.

You'll enjoy a diverse menu offering nutritious meals, all freshly cooked on site and catering to your specific dietary requirements.

Spaces for shared times or quiet time

Family and friends are welcome anytime. Share quality time together in the lounge areas throughout the home or stroll through the gardens. You and your family and friends can also visit our chapel for shared prayer or quiet reflection.

When you need time to yourself, read in our library or sit outside and watch the wild birds coming to feed.

Living your way

We encourage you to continue enjoying your favourite hobbies. You'll also have a wide range of leisure and lifestyle activities at your fingertips, including reading, bingo, reminiscing groups, social outings, art/craft activities, garden club and more.

You'll also have ready access to health and wellbeing services including physiotherapy, podiatry, dietician, speech pathologist and hairdresser.

Landscaped gardens and picturesque views

Set amid established gardens, our home takes full advantage of its beautiful natural setting. With plenty of spaces to sit and relax, you'll have opportunities to take in the rich diversity of plants and animals native to our region. There is also a memory unit and comfortable, secure garden, designed to encourage greater mobility for people living with dementia.

You and your visitors will also enjoy the convenience of our home's central location, close to Boronia station and shopping village.
