Our home

Mercy Place Boronia has been newly integrated into our Montrose aged care precinct. Nestled in the foothills of the Dandenong Ranges, we proudly provide high-quality care and accommodation, where residents can feel safe, comfortable and valued.

Located next door to Mercy Place Montrose, our residents have access to a range of shared retail and community spaces at our neighbouring home, including a cafe, grocery store and a bar.

Our residents are welcome to join in with any of the precinct's events, or enjoy their favourite pastimes in Mercy Place Boronia's activity room.

Our welcoming home features warm communal areas, ideal for relaxing or entertaining family and friends, and the large indoor aquarium creates a lovely peaceful setting. Spoil yourself with some pampering in the hairdressing salon or if you're a lover of the great outdoors, our established gardens are in bloom all year round.

Choosing a room

Our comfortable rooms feature good-quality furniture and fittings, including wall-mounted flat screen TVs, built-in wardrobes, air conditioning and heating, and space for your personal treasures.

For those living with dementia or memory loss, we have a dedicated Memory Support Unit located in the Lourdes wing.

of Mercy Place
Boronia.

The modern story of Mercy Health began with the founding of the Order of the Sisters of Mercy in Dublin in 1831 by Catherine McAuley, who dedicated her life to serving people in need.

The Sisters of Mercy went on to found convents, schools and hospitals across the globe. They arrived in Australia in 1846, led by Mother Ursula Frayne.

Following a devastating influenza pandemic, the Sisters of Mercy opened their first Victorian hospital — St Benedict's in Malvern — in 1920.

As Mercy Health, they established a reputation for excellence in care and hospitality that has grown in strength to this day.

A leading Catholic provider of health, aged and community services, our history and future is based on responding to the most significant needs of the time.

We employ and care for people of all faiths and no faith. Our people come from many cultures and backgrounds but share a common goal: to provide compassionate and responsive care to people in need.
