A Reason to Choose Mercy

The story of Mercy Health began in 1831 with the establishment of the Sisters of Mercy in Dublin by Catherine McAuley, who was dedicated to serving those in need.

The Sisters of Mercy went on to establish community services, schools, and hospitals worldwide. In 1846, led by Mother Ursula Frayne, the Sisters of Mercy arrived in Australia, where their commitment to care and hospitality is a lasting legacy—one that continues to shape our work today.

As a not-for-profit Catholic aged care provider, Mercy Health embeds the values of compassion, respect, and community. Our mission is to prioritise your well-being and dignity, ensuring that every resident feels valued, supported, and cared for.

We understand that transitioning into aged care can be a significant change, and our holistic approach nurtures not only the body but also the mind and spirit.

At each Mercy Health Residential Aged Care home we have qualified Pastoral Carers on the team. Our dedicated team offers emotional and spiritual support to foster a deep sense of belonging and connection. By choosing Mercy Health, you receive more than just high-quality, personalised care—you become part of a welcoming and supportive community that honours your faith, values, and individuality. We warmly welcome clients from all backgrounds, whether you follow a specific denomination or are non-denominational.

At Mercy Health, we take the time to understand your preferences, care needs, and overall well-being. We work closely with you and your family to create a personalised experience that reflects who you are and what matters most to you.

Our home

Mercy Health welcomes you to your new home. Mercy Health offers all levels of care, and as our mission of mercy guides us every day, we take pride in serving those who need us most with compassion, openness and kindness. Our qualified and experienced staff are here around the clock, and we tailor your care to your individual needs and preferences.

At Edgewater Mercy Hostel, we are proud to provide high-quality care and accommodation where residents can feel safe, comfortable and valued. Our Edgewater home is built around the concept of Household Living, in which residents, families and staff are encouraged to work together to enjoy meaningful daily activities both within the home and outside it.

Our home consists of four individual households, each of which features a large dining room, kitchen, lounge room and cosy sitting areas where you can relax or entertain family and friends.

All common areas are furnished and decorated to enhance the warm and inviting feel of our home. Enjoy the fresh air in one of our shaded

courtyards, participate in fun recreational activities or visit the hairdresser at our on-site salon.

Choosing a room

Choosing the right room in a residential aged care home is about finding a space that feels both comfortable and familiar. As you tour our home, imagine how you can personalise your room with treasured furniture, decorations, and keepsakes to create a warm and inviting environment. Consider the room's location and its proximity to the services and amenities that matter most to you, such as communal spaces, a hairdressing salon, or a wellness centre. More than just a place to stay, your room should be a space where you feel relaxed, secure, and truly at home.

At Edgewater Mercy Hostel, our lovely private rooms all boast a welcoming and stylish design. Enjoy the quality furniture and fittings, including reverse-cycle air conditioning with individual thermostat control. All rooms are awash in natural light and some offer beautiful courtyard views.

Room categories

Our team is here to help guide you through the various options, ensuring you fully understand the costs associated with each type of room.

All Deluxe rooms have private ensuites and individually controlled reverse-cycle air conditioning. With a built-in wardrobe, there's plenty of space for your personal treasures.
